EDUCATIONAL ENRICHMENT

University Exploration

Experience first-hand the rich educational landscape of the UAE, home to some of the world's most renowned universities and prestigious business schools.

Navigate through state-of-the-art campuses, observe the bustling intellectual activity, and gather insights into the unique opportunities these institutions offer.

This exploration will provide you with a broader perspective on international higher education and potentially shape your academic aspirations.

Uncover what the UAE's diverse academic environment has to offer to students with global ambitions.

Interactive Simulation

Step into the shoes of diplomats and decision-makers with our Interactive Simulation module.

Engage in dynamic, scenariobased activities that demand strategic thinking, negotiation skills, and collaborative problemsolving.

Navigate the complex terrain of international relations, policymaking, and global conflict resolution.

This practical learning experience offers a fascinating peek into the world of diplomacy, equipping you with crucial soft skills and a nuanced understanding of global affairs. It's not just about learning; it's about doing. **Experience diplomacy in action and see your theoretical knowledge come to life.**

FACULTY

Joachim BALD

Executive Consultant Risk Management and Treasury at Frankfurt School of Finance & Management

Joachim Bald's extensive portfolio includes successful interventions in numerous banks worldwide, like Hypo Alpe Adria Bank in Austria and XacBank in Mongolia. Skilled in financial modelling and data analysis, Joachim develops effective scoring and rating models. Holding an MBA, a doctorate in economics, and certification as a US Management Accountant, he is multilingual, fluent in English, French, German, and Russian.

Ilya BREYMAN

Co-founder and CEO of Coursalytics

Ilya Breyman, co-founder and CEO of Coursalytics, is a technology entrepreneur with a rich background in executive education and leadership development. Prior to establishing Coursalytics, Ilya has collaborated with top-ranked business schools across Europe, North America, and Russia. Ilya holds degrees from Georgetown University, and the University of Pennsylvania and has studied at East China Normal University.

Alex DOLINSKY

Co-founder of Coursalytics

Alex Dolinsky is a seasoned executive development specialist with over a 10-year experience across various industries and continents. After earning his PhD in public diplomacy, he cofounded Coursalytics, following a diverse career in IR and communications. His distinguished educational background includes degrees from institutions like St. Petersburg State University, Moscow State Institute of International Relations, Fletcher School of Law, and Harvard Kennedy School.

FACULTY

Nikolay ELISTRATOV

Top-level Executive and Senior Diplomat

Nikolay Elistratov is a top executive and senior diplomat with a distinguished career in business management and international economy. He excels in project management, team leadership, and navigating complex challenges to drive results. Nikolay's strategic approach generates long-term value and growth opportunities, with proven proficiency in negotiation, analysis, and multilingual communication in Russian, English, and Arabic.

Selina NERI

**Professor of Leadership and Corporate Governance,
Executive Coach at Hult Ashridge Executive Education**

Selina Neri is a seasoned leadership development expert with over 27 years of global executive experience. She offers management consulting services with an emphasis on strategy, digital transformation, and diversity. Her career highlights include roles at The GC Index, Capvision, and Hult International Business School, enhancing her understanding of various business landscapes.

Arijit SIKDAR

Dubai**

Dr. Arijit Sikdar is an Associate Professor with over 15 years of teaching and research experience. He previously taught at the Indian Institute of Management in Indore and has a PhD from the Indian Institute of Management in Ahmedabad. Dr. Sikdar has a unique blend of practical industry and academic experience, having worked as a management consultant in the manufacturing and mining industry. He is a professional member of the Academy of Management (USA) and the Supply Chain Logistics Group (UAE).

PROFESSIONAL DEVELOPMENT

Real-Life Case Studies

Delve into the intriguing world of real-life case studies, guided by esteemed academics and seasoned practitioners from the fields of law, business, and diplomacy.

These interactive sessions will give you an **in-depth look at complex global issues**, shedding light on the intricacies of decision-making processes, strategic planning, and crisis management.

You'll gain the skills to analyze situations from various perspectives, formulating solutions that take into account multiple stakeholders and potential impacts. **This hands-on approach to learning encourages critical thinking and provides practical experience in dealing with real world scenarios.**

Company Visits

Gain exclusive behind-the-scenes access to leading organizations in Dubai, enabling you to understand their operations, strategies, and leadership dynamics from an insider's perspective.

These visits aren't just a tour; they're an opportunity to interact directly with industry leaders and key decision-makers.

From witnessing how day-to-day operations are managed to understanding long-term strategic planning, **you'll gain insights that textbooks can't provide.** Gain a practical understanding of your chosen fields and help shape your future career aspirations.

PROFESSIONAL DEVELOPMENT

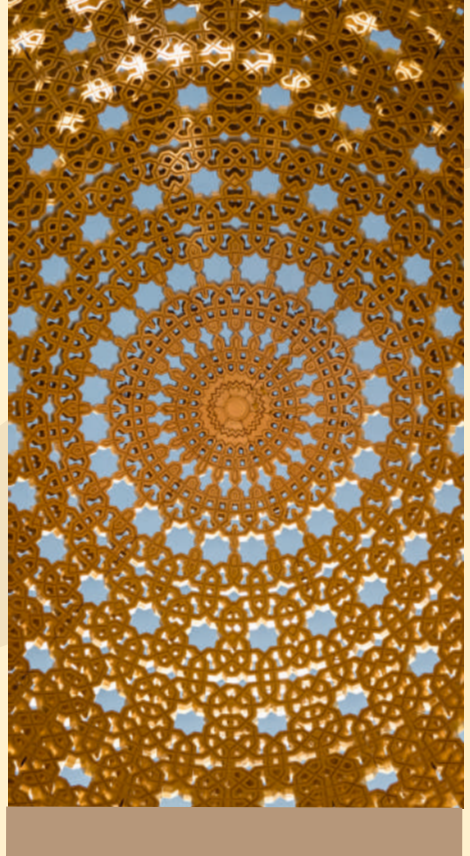

Career Guidance

Benefit from personalized career advice and strategic planning workshops led by experienced executive search professionals and career consultants.

These sessions are designed to help you **identify your strengths, clarify your goals,** and formulate a roadmap for your future career path.

Whether you're unsure of what direction to take or have a clear vision of your future, **these guidance sessions provide valuable insights** that can help you navigate the professional world.

This personalized mentorship and advice can empower you to make informed decisions about your career, setting you on the path to success.

CULTURAL IMMERSION

Historical Exploration

Journey back in time as you traverse **Dubai's historic sites** and traditional neighborhoods.

Uncover the city's fascinating **transformation from a small fishing village to a global metropolis.**

Visit age-old forts, explore traditional Bedouin villages, and navigate the charming, narrow alleyways of historic districts.

These experiences will enrich your understanding of the city's roots and its journey through the ages, providing a meaningful context to the modern-day Dubai you'll experience during your stay.

DUBAI CITY + BURJ KHALIFA

AQUAVENTURE WATER PARK

ABU DHABI PREMIUM

CULTURAL IMMERSION

Arabic & Cultural Acumen

Get a feel for the **Arabic language** and gain a deeper understanding of the region's rich cultural norms.

You'll pick up essential phrases, discover the intricate etiquette of the Arabic world, and learn about the customs that shape daily life and business interactions in the region.

This knowledge can be an invaluable asset in any international career, fostering cross-cultural communication skills and enhancing your global competitiveness.

Cultural Experiences

Immerse yourself in the rich culture of the United Arab Emirates with exclusive tours of **Dubai** and **Abu Dhabi**.

Experience the vibrant fusion of tradition and innovation that shapes these two cities.

Explore world-class museums, stroll through bustling markets, partake in local activities, and marvel at architectural wonders, from traditional to modern.

In Dubai, take a boat ride and witness the city's spectacular skyline.

In Abu Dhabi, visit the majestic Sheikh Zayed Grand Mosque and appreciate the impressive cultural heritage the city preserves.

This immersion in the local culture, lifestyle, and landmarks of these iconic cities will expand your horizons and leave you with unforgettable memories.

DUBAI VIBE DIVE

Young Global Leaders Panel Discussion

Enhance your understanding of global leadership by attending a **panel discussion featuring the World Economic Forum's Young Global Leaders.**

This elite community comprises **exceptional individuals who are committed to making positive change** in the world.

During this interactive session, **inspiring leaders will share their unique journeys and offer their visions** for a more inclusive and sustainable future.

This is an extraordinary opportunity to engage with and learn from some of the world's most innovative and forwardthinking leaders.

Crypto Exploration Evening

Immerse yourself in a thoughtprovoking evening exploring the **world of cryptocurrencies and blockchain technology.**

With Dubai serving as a global hub for these cutting-edge technologies, we've curated a **gathering with accomplished local entrepreneurs who will demystify this evolving digital landscape.**

This isn't just about following a trend — it's about understanding how these technologies work, their potential impact on global economies, and what they might mean for your own future. **Engage in thoughtful conversations, ask tough questions, and learn to form your own informed perspectives on this disruptive innovation.** It's an eye-opening exploration of the digital frontier, right at your fingertips.
